## A BRIEF HISTORY OF THE COLLEGE

Prananath College is one of the oldest institutions in Khordha district, founded through the unwavering dedication and tireless efforts of the late Prananath Patnaik. Today, it stands as a prestigious college in the state, known for its vibrant and accomplished alumni network. The vision of establishing a college in Khordha, nurtured by the local intellectual community since 1955, became a reality on January 28, 1959—thanks to the persistent efforts of Prananath Patnaik and his committed associates.

The foundation stone of the college was laid by the then Union Minister of Education, Prof. Humayun Kabir. The institution was named as 'Khurda College and Late Prananath Patnaik' and became its Founder Secretary. The College began functioning primarily as an Arts college with provision for teaching Pre-University Arts course, for which affiliation was granted by Utkal University. In the first year (1959- 60), there were only 64 students. A master plan was prepared for the present main teaching block in 1962. The institution became a Degree College in Arts in the year 1963 and the provision was made for teaching Pre-University Science Course in 1964, Pre-Professional Course in 1967, Honours Courses in History & Odia in 1968, B.Sc. with teaching facilities in Physics, Chemistry and Mathematics and Honours Course in Economics, & Pol.Sc. in 1970; teaching facilities in Botany and Zoology and Pre-University Commerce Course and Honours Course in English were opened subsequently.

In the year 1970, the Founder Secretary passed away. Following his sad demise, the College was named as PRANANATH COLLEGE in November 1970, in the fond memory of our beloved founder.

In 1972 Degree Course in Commerce, in 1973 Honours Courses in Philosophy, Physics and Chemistry, in 1974 Honours Courses in Botany & Zoology, in 1979 Commerce Honours (Accountancy Group), in 1980 Honours Course in Psychology and in 1981 Honours Course in Education and Mathematics were started.

Higher Secondary (Plus Two) Courses were opened simultaneously in Arts, Science and Commerce from the academic session 1983-84 and the institution got affiliated to the Council of Higher Secondary Education, Odisha in the same year.

Post Graduate Courses in M.Sc., Computer Science & M.A. in Personnel Management and Industrial relations were opened in the session 2009-10 and Government of Odisha accorded due recognition to the course in December 2010 and due affiliation in 2011 w.e.f-2009.

The outstanding growth of the College is attributed to the donations received from generous public, eminent personalities and the students from time to time. The College is flourishing because of Grants received from the UGC, New Delhi under the Basic Assistance and the Development Assistance in various plan periods and the necessary aid and assistance from the State Government.

The College was granted autonomous status by U.G.C.w.e.f June 2006. In the same year, the NAAC has also accredited the college with 'A' grade. The college was also adjudged as "a College with Potential for Excellence" by U.G.C, w.e.f. 24th August 2011. The college has completed 50 years of its existence and has celebrated its 'Golden Jubilee' on 27th Nov 2010.

In 2013, UGC autonomy was renewed for one year. In the very next year, this renewal has been extended for a period of six years upto 2018-19. In the meantime, there has been addition of two new postgraduate courses and BBA as an undergraduate course. In 2016, in the cycle II, this college is again accredited with "A" grade. This is another feather in our cap.

Postgraduate courses in Commerce and Education were introduced in the session 2018-19 and that in Geology in the session 2019- 20. Post- Graduate courses in Zoology, Botany and Chemistry were introduced in the session 2022-23. The College has celebrated its Diamond Jubilee on 27th January 2020.

The College is currently preparing for its Third Cycle of NAAC accreditation, scheduled for the coming months, and we are optimistic about an improvement in our grade. We are constantly working to enhance both our academic and administrative processes to meet the evolving needs of our stakeholders. We look forward to a bright future, guiding the institution toward the pinnacle of success as envisioned by our esteemed founder.

**LATE PRANANATH PATNAIK**  
**(16.11.1905 - 5.10.1970)**  
**The Revered Founding Father**

**LIFE HISTORY - IN BRIEF**

Prananath Patnaik was a prominent figure in Odisha's freedom struggle and a pioneer of the left-wing movement. He worked tirelessly to bring marginalized communities into the mainstream. A firm believer in Marxist ideology, he lived by the principle: "Those who truly strive for a classless society must let go of their own class interests." Born in 1905 in the village of Dimiri near Kanas in Puri district, he passed away in 1970 after a prolonged illness, brought on by a life of relentless dedication to the welfare of the common people. His life was devoted to the service and upliftment of the people of Khordha.

Prananath was influenced by the under-currents of the contemporary national and international movements since his days as a student in Puri Zilla School. It was the famous Kashi Vidyapitha of Benaras which actually shaped his career and his philosophy. He not only graduated with 'Shastri' degree from the institution but also imbibed an indomitable spirit to fight for the right of the common man at the grass-root level. He was the founding member of the Congress Socialist Party at Cuttack. For his active participation in Indian struggle for freedom and other people's

movements, he was frequently imprisoned. He accepted suffering as an integral part of his life and never solicited economic security and social comfort. He was so engrossed in serving people that he neglected himself and his family. Even after Independence, his mission of mass mobilization for an egalitarian society continued with an equal zeal and fervour. As a legislator, his motto was to bring a change in the life of the suffering multitude and make their voice heard to the world .

Prananath Patnaik was a forward-thinking writer whose works portrayed the harsh realities of contemporary society with a realistic approach. He firmly believed that education was the key to freeing ordinary people from ignorance and fear. His dedicated efforts led to the founding of a high school in Jatni in 1945 and later Khordha College in 1959, both aimed at providing education to the underserved rural population. Despite numerous challenges, the college thrived and was renamed Prananath College, Khordha in 1970, in honour of its esteemed founder. The noble legacy of this visionary leader continues to inspire and guide this distinguished educational institution of Odisha on its journey of growth and excellence.
