Examination Reforms by the College

Examination and Evaluation: Examination and Evaluation is continuous process through internal assessment and Term-end Examinations and declaration of result through conducting board.

- For UG courses the institute follows the guideline of Utkal University and UGC and Govt. of Odisha.
- UG course is of three-year duration with Six Semesters. Each Semester has one Mid-Term examination. The odd semester start from June to November and the even semester starts from December to April.
- For the final semester, the result is declared after the 40 days of completion of the sixth semester examination.
- A student may clear if any backlog paper remains, within six academic years starting from the year of admission batch.
- Mid semester examination is of 1 hr. duration for 15/20 marks. The mid semester answer scripts are valued by the internal faculties who would be teaching the corresponding paper. A student who fails to appear in the mid semester will be allowed to appear the same examination in the next batch only once. There is no provision for improvement in mid semester.
- The marks are fed online under UUEMS (Utkal University Examination Management System) within 15 days from the date of examination (Mid-term) along with in the college website. The answer scripts of mid-term and term-end examination are preserved for 6 months from the date of publication of result for future reference.
- The examiner is solely responsible for the evaluation of mid-term, practical and term-end examination. Neither the Principal nor management have the right to change the mid-term marks assigned by a teacher. However if the Principal is convinced that the mid-term marks assigned by a teacher are biased, Principal can appoint a committee where the teacher concerned will be a member for review. The discussion of the committee shall be final. The revised marks shall be sent to the University for Necessary work.
- Some of the term-end papers are evaluated by the external examiner. Twenty five percent of term-end answer scripts are evaluated by internal examiners.
- Question papers of Mid-term examination are prepared by the faculty of concerned departments. The question papers are set from the topic covered up in the concerned subjects/papers. The questions for Term-end examinations are set by external experts and then passed through the moderators.
- The Term-end answer scripted are coded to maintain transparency and then sent to concerned subject experts for evaluation, recommended by BoS.
- Projects Seminars and Field studies are made as a part of the curriculum and examinations. These are evaluated by external as well as internal examiners.
- Marks as well as credit points (under CBCS) are awarded at the end of semester.
- Grievances are duly registered both in online and offline system. Students can send their grievances through their e-mails or printed format. All these are resolved within a week and intimated.
- Payments are received through SBI-e collect gateway (specifically designed for the college) to receive all the payments, both fees and fines without any error in transactions.
- On time Graduate is published in the college website [www.pncollege.in](http://www.pncollege.in)
- The Institution is registered in NAD (National Academic Depository)
- The institution is also registered itself in ACB (Academic Bank of Credit)
- The examination process is automated
